Series	Title	Author	Description
	Artichoke's Heart	Suzanne Supplee	Rosemary Goode is smart, funny, loyal and the best eyebrow waxer in her small Southern town. But only one thing seems to matter to anyone, including Rosemary: her weight. When your mom runs the most successful (and gossip-laden) beauty shop in town, it can be hard to keep a low profile. Rosemary resolves to lose the weight, but her journey turns out to be about everything but the scale.
	Beautiful Americans	Lucy Silag	The story of four American teens in Paris and the scandals that haunt each of them. There's rich New York girl Alex; Cali-born dancer Olivia; closeted Memphis boy Zack; and finally PJ, an elusive beauty from Vermont who's hiding a dark past. Studying abroad for their junior year of high school, they run wild in the Tuileries, hold clandestine parties in their host families' luxe apartments, take over tiny crowded cafes and generally live the glamorous life. But in the end they all must face the lies they've told and secrets they've kept when the unthinkable happens.
	Dairy Queen	Catherine Gilbert Murdock	D.J. Schwenk's summer is off to a bad start - she's saddled with all the chores on her family's dairy farm while her father recovers from an injury, her mother takes on extra work at the local school and her older, football-legend brothers stay away from home due to a family feud. But, since nobody in her family is all that big on talking, they're not likely to hear or understand her complaints. Then Brian Nelson, the egotistical quarterback from her town's rival high school, is assigned by his coach (and Schwenk family friend) to help out on the farm. Sparks (and cow pies!) fly as D.J. and Brian eventually bond over work and football, and D.J. pursues her dream of playing on her own school's football team.
	Dear Julia	Amy Bronwen Zemser	Elaine Hamilton has never wanted to be the center of attention. She'd like nothing more than to cook quietly in her kitchen, mastering French cooking with the recipes of the great Julia Child. So how did she end up with cameras zooming in on her and a crowd cheering her on? Well, it involves... an eccentric best friend, five brothers constantly asking, "What's for dinner?", a feminist congresswoman mother, a yoga-practicing father, a chest full of unsent letters, and many, many roast ducks.

	The Debutante	Kathryn Williams	Annie McRae has her whole senior year planned out. Early acceptance to Brown University, a field hockey scholarship to pay the bills, and days spent with her best friend Jamie and her boyfriend Jake. It is going to be perfect. Then her parents ruin it all by moving to Alabama. Now, Annie finds herself in an unfamiliar world where she isn't even sure she speaks the same language. To top it off, she discovers that if she ever wants to escape back to her perfectly-planned life, she will have to become a debutante. Fighting every step of the way, Annie spends the year learning to be a lady. Along the way, she discovers that friends can come from the most unlikely of places and that change isn't always a bad thing.
	Derby Girl	Shauna Cross	Meet Bliss Cavendar, a blue haired, indie-rock loving misfit stuck in the tiny town of Bodeen, Texas. Her pageant-addicted mother expects her to compete for the coveted Miss Bluebonnet crown, but Bliss would rather feast on roaches than be subjected to such rhinestone tyranny. Bliss' escape? Take up Roller Derby. When she discovers a league in nearby Austin, Bliss embarks on an epic journey full of hilarious tattooed girls, delicious boys in bands, and a few not-so-awesome realities even the most hardcore derby chick has to learn. A movie based on the book is coming out this fall. It's called Whip It and is directed by Drew Barrymore.
	Dream Factory	Brad Barker and Heather Hepler	When the actors at Disney World go on strike, the teens hired as replacements quickly learn that it isn't exactly the Happiest Place on Earth. Ella is, appropriately enough, assigned the role of Cinderella, simply because the shoe fits. Every afternoon at three o'clock she gets married to Prince Charming, an unbelievably handsome boy who speaks fluent Disney. It should be a dream come true, but Ella no longer believes in dreams. Luke is one of the fur characters, Dale (you know, the chipmunk). His job entails sweating inside a hairy outfit while waving wordlessly to overstimulated children and their exhausted parents. Chip is played by his girlfriend, Cassie, who is perfect in every way. Why, then, does Luke find himself more drawn to imperfect things like the theme park's Phantom and the enigmatic Ella?

	Geek Charming	Robin Palmer	Dylan Shoenfield has the coolest boyfriend, the most popular friends, and a brand-new "it" bag that everyone covets. But when she accidentally tosses her bag into a fountain, this princess meets her own personal frog: film geek Josh Rosen. In return for rescuing Dylan's bag, Josh convinces Dylan to let him film her for his documentary on high school popularity. Reluctantly, Dylan lets F-list Josh into her A-list world, and is shocked to realize that sometimes nerds can be pretty cool. But when her so-called prince charming of a boyfriend dumps Dylan, her life comes to a crashing halt. Can Dylan - with Josh's help - create her own happily-ever-after?
	How to be Bad	E. Lockhart, Sarah Mlynowski, and Lauren Myracle	Vicks is the wild child whose boyfriend has gone suspiciously quiet since he left for college; Mel is the newcomer desperate to be liked; and Jesse will do anything to avoid a life-altering secret. Each one has her own reason for wanting to get the heck out of their nowheresville town, even just for the weekend. So they climb into Jesse's mom's "borrowed" station wagon and head south. Hearts will be broken, friendships will be tested, and a ridiculously hot stranger could change the course of everything.
	Lovestruck Summer	Melissa Walker	Quinn is an indie rock girl who came out to Austin, Texas, for a music internship. She also plans to spend long, lazy days in the sun at outdoor concerts--and to meet a hot musician or two. Instead, she's stuck rooming (and clashing) with her sorority brainwashed cousin, who willingly goes by the name "Party Penny." But Sebastian, a gorgeous DJ, definitely makes up for it. Sebastian has it all: looks, charm, and great taste in music. So why can't Quinn keep her mind off Penny's friend--cute, All-American Russ and his Texas twang?
	Peace, Love and Baby Ducks	Lauren Myracle	Growing up in a world of wealth and privilege, fifteen-year-old Carly has always relied on the constancy of her sister, Anna. These very different sisters have to learn that they can help each other stay afloat in the rough waters of life.

	Sleepaway Girls	Jen Calonita	When Sam's best friend gets her first boyfriend, Sam decides she's sick of being a third wheel and so she applies to be a counselor-in-training at Whispering Pines camp. But what she doesn't realize is that it's not going to be all Kumbaya sing-alongs and gooey s'mores. If Ashley, the alpha queen of Whispering Pines, doesn't ruin Sam's summer, then her raging crush on the surfer-blond and flirtatious Hunter just might. At least she has playful Cole, who's always teasing her, but is oh-so-comfortable to hang out with, and her new group of friends who call themselves the Sleepaway Girls.
	Suite Scarlett	Maureen Johnson	Fifteen year-old Scarlett Martin is stuck working at her family's historic Manhattan hotel for the summer while her friends all take exotic vacations. But when her brother Spencer brings home Eric, his hot acting partner in an avant-garde production of Hamlet, and an eccentric former starlet named Mrs. Amberson moves into the hotel's Empire Suite (which is Scarlett's responsibility), Scarlett's summer may turn out to be the exact opposite of dull!
	Ten Things I Hate About Me	Randa Abdel-Fattah	Jamie (or Jamilah as her "Stone Age dad" calls her) just wants to fit in. She doesn't want to be seen as a stereotypical Muslim girl, so she does everything possible to hide that part of herself. But when the cutest boy in school asks her out and her friends start to wonder about Jamie's life outside of school, her secrets threaten to explode. Can Jamie figure out how to be both Jamie and Jamilah before she loses everything?

Worse still, a service workers strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Mia talk Michael out of his anti-prom views? Most importantly, will Mia get to wear her pink prom dress?
Princess Diaries	Princess in Training (book 6)	Meg Cabot	Princess for president - student body president, that is. It's all power-mad Lilly's fault for nominating Mia in the first place. This is not how Mia imagined kicking off her sophomore year, even if Grandmère thinks ruling her high school makes good practice for ruling Genovia someday. As usual, though, Mia has bigger problems to worry about. Sophomore Geometry appears to be just as hard as freshman Algebra, and a shocking B on her first English assignment has Mia reeling. And with Michael, her one true love, uptown at college, what is the point of even getting up for school in the morning?
Princess Diaries	The Princess Present (book 6 1/2)	Meg Cabot	Every year, Princess Mia spends the holidays in Genovia with Grandmère. This year, she's looking forward to the most perfect Christmas ever: her boyfriend, Michael, and her best friend, Lilly, are coming to Genovia, too. But even a princess's plans can go awry. Lilly has a lot to learn about palace protocol, and with all the state holiday functions Mia must attend, there's no time to linger under the mistletoe with Michael. Worst of all, Mia hasn't been able to find him the perfect gift.

Princess Diaries	Party Princess (book 7)	Meg Cabot	Princess just want to have fun . . . And Mia does too, despite the fact that the student government over which she presides is suddenly broke. But Grandmère's got a wacky scheme to raise the money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor who's not her boyfriend. No wonder Michael seems to think she's a psycho, or worse: not much fun. Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party?
Princess Diaries	Sweet Sixteen Princess (book 7 1/2)	Meg Cabot	Mia doesn't always have the best luck with parties, so even though it's her sweet sixteenth, she doesn't want a birthday bash. As usual, Grandmère has other ideas, and thinks a reality TV special is just the thing in order to celebrate royally. Will Mia be able to stop Grandmère's plan? Will her friends ever forgive her if she does stop it, since it involves all of them taking the royal jet to Genovia for an extravaganza the likes of which would turn even Paris Hilton green with envy? Why can't Mia get what she really wants: an evening alone with Michael? With a little luck, this sweet sixteen princess might just get her wish—a birthday that's royally romantic.
Princess Diaries	Valentine Princess (book 7 3/4)	Meg Cabot	Valentine's Day means all-out romance. But when you're Princess Mia, nothing happens the way it's supposed to. For one thing, Grandmère seems determined to prove that Michael isn't the right one for the crown princess of Genovia. And Mia isn't having much luck proving otherwise, since Michael has a history of being decidedly against any kind of exploitative commercialization (Valentine's Day, as it is commonly known). Why can't Michael give in to Cupid and tell Mia he loves her - in time to prove he's Mia's true prince?
Princess Diaries	Princess on the Brink (book 8)	Meg Cabot	At last, Mia is a junior. So why is it that everything is going so terribly wrong? What is she doing in <i>Intro</i> to Creative Writing? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? All this is nothing compared to Michael's news that he could be leaving for Japan for a year - or more! Precalc has nothing on preparing for the worst separation ever!

Princess Diaries	Princess Mia (book 9)	Meg Cabot	Mia has been invited to speak at a gala for an elite society of powerful businesswomen. But what could she possibly have to say? Michael has broken up with her, Lilly won't speak to her, and her parents are forcing her to see a therapist. Even J.P.'s efforts to cheer Mia up aren't helping. Just when things couldn't get worse, Mia discovers a long-forgotten diary of a teenage princess of Genovia. It could be just the inspiration Mia needs to write her speech - but what it reveals might change everything.
Princess Diaries	Forever Princess (book 10)	Meg Cabot	It's Mia's senior year, and things <i>seem</i> great. She aced her senior project, got accepted to her dream college(s), and has her birthday gala coming up . . . not to mention prom, graduation, and Genovia's first-ever elections. But with Genovia's and her own future hanging in the balance, Mia's got some decisions to make: Which college? Which guy? How can she choose? Especially when what she decides might determine not just the next four years, but . . . forever!
